Elegance for the years . . .

Brilliantly conceived by Ray Sabota, Facade is an inspired grouping which not only retains its modern feel through the years, but blends perfectly with other fine furnishings of many varying periods to add new grace to homes of distinction.

Walnut's warm-grained character has never been more glowingly presented than in the sculptured classicism of Facade's styling, subtly accented in satin brass. All the nuances of the designer's vision have been faithfully interpreted with the loving skill that has made the Mount Airy name synonymous with superb quality in exquisite furniture.
